

COLORADO NATIONAL MONUMENT  
COLORADO

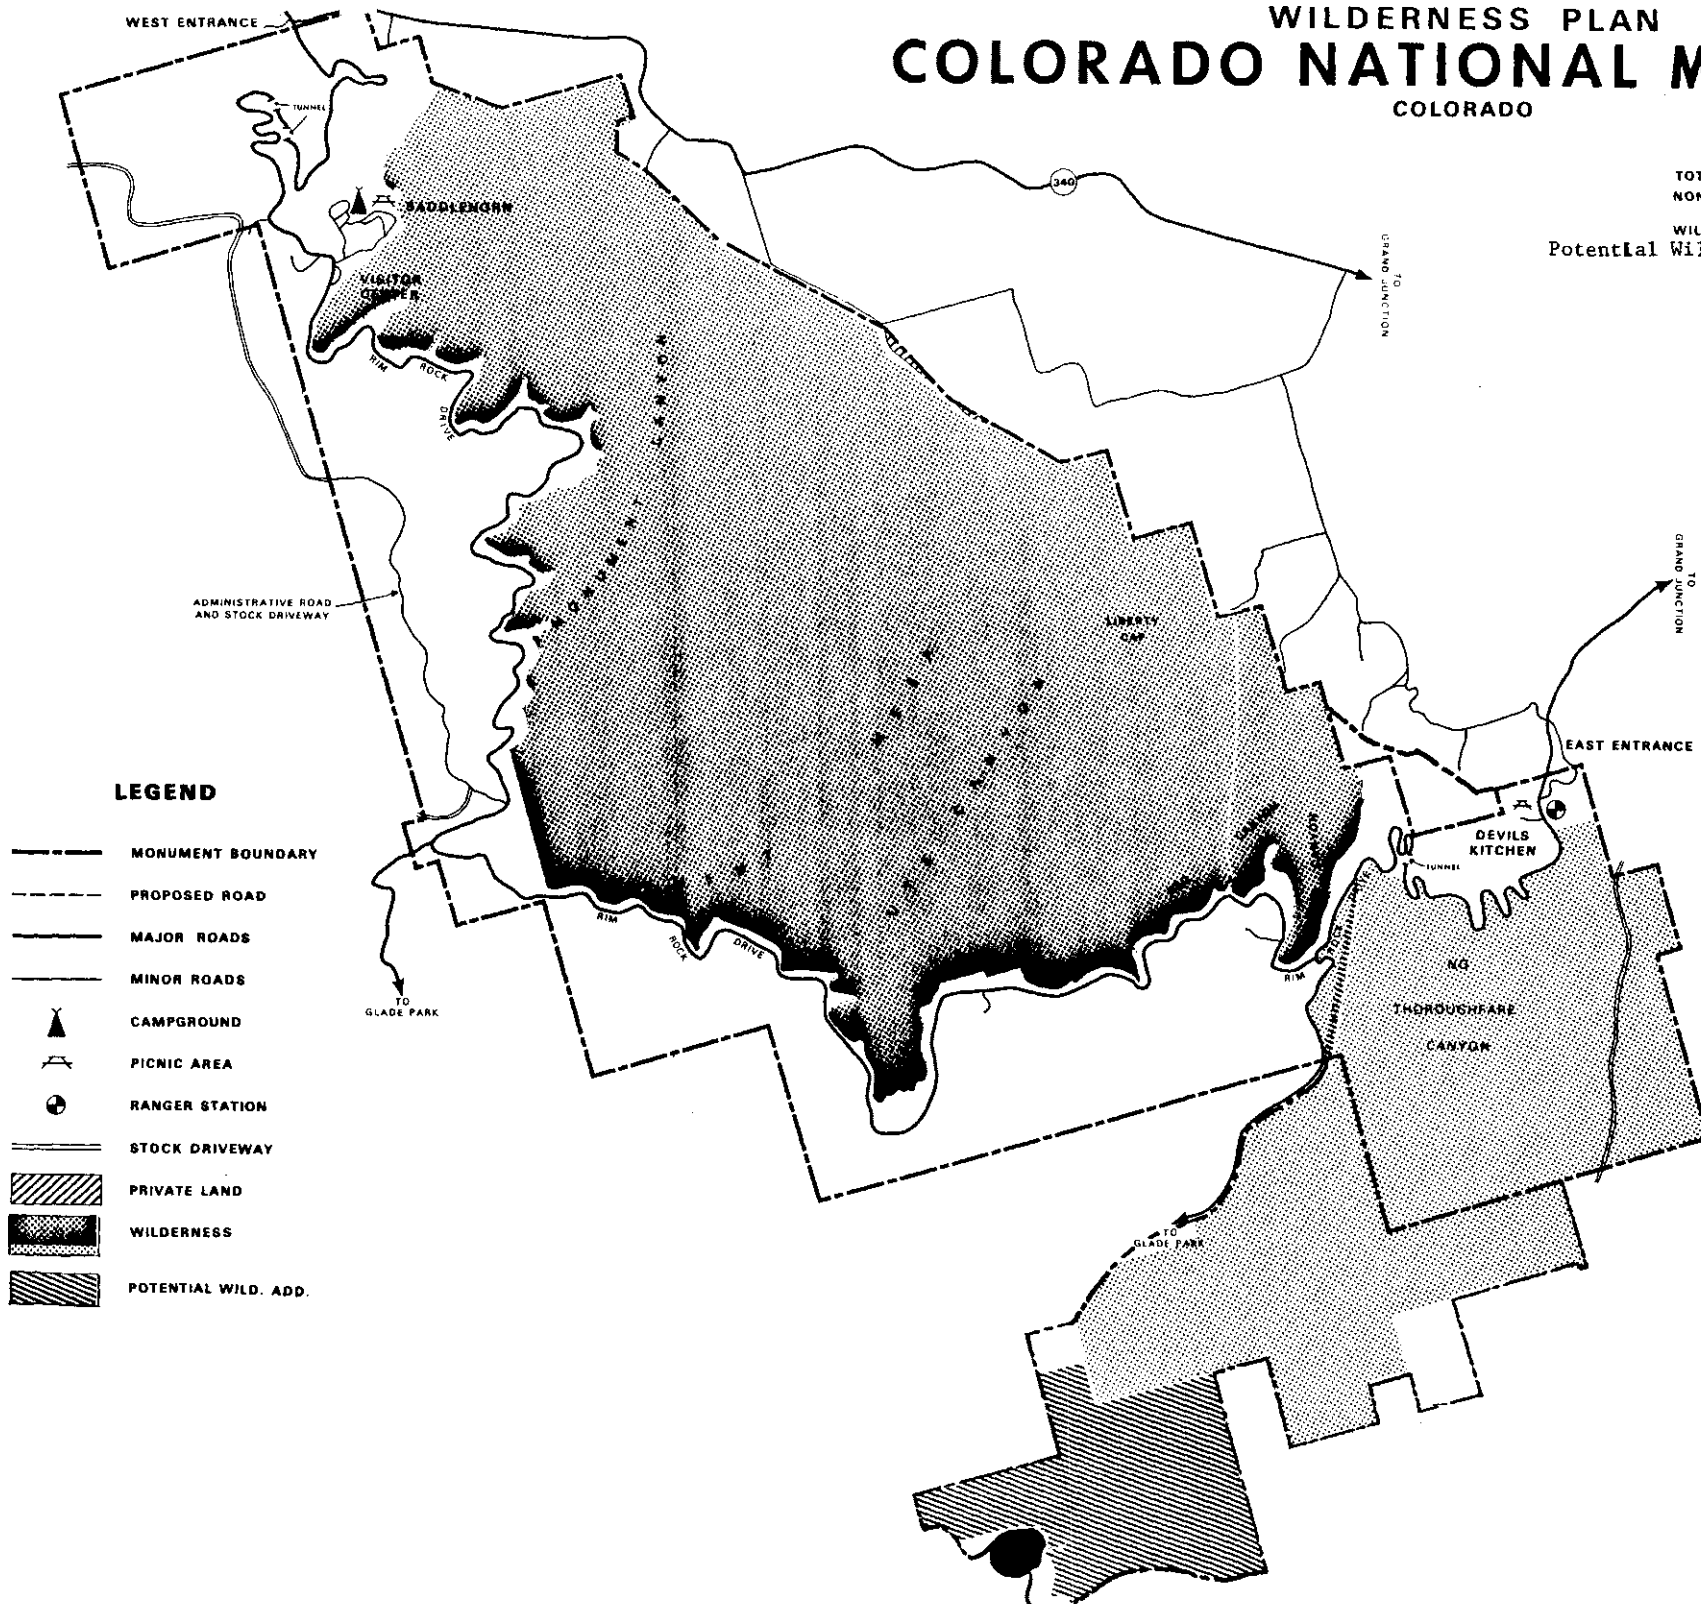

A RECOMMENDATION PROPOSING WILDERNESS DESIGNATION FOR 10,300 ACRES OF THE COLORADO NATIONAL MONUMENT WAS TRANSMITTED TO CONGRESS ON JANUARY 12, 1976. A REVISED WILDERNESS PLAN IS NOW OFFERED FOR THE CONSIDERATION OF CONGRESS WHICH INCLUDES THE EXPANSION TO THE MONUMENT AUTHORIZED UNDER PUBLIC LAW 94-578. THE NEW PROPOSAL, COMPRISING 13,842 ACRES OF WILDERNESS WITH 937 ACRES RESERVED AS POTENTIAL WILDERNESS ADDITIONS, IS DEPICTED ON THE MAP ENTITLED "WILDERNESS PLAN, COLORADO NATIONAL MONUMENT," NUMBERED 119-20,006-C AND DATED JANUARY 1978.

OTHERS HAVE SUGGESTED THAT THE LANDS LYING GENERALLY WEST OF THE RIM DRIVE AND THE ROAD TO GLADE PARK BE DESIGNATED WILDERNESS. THESE AREAS VARY FROM 1/4 MILE TO ONE-MILE IN WIDTH AND CONTAIN MANAGEMENT ROADS, UTILITY LINES AND INSTALLATIONS. IN ADDITION TO THEIR NARROW WIDTH, THE LANDS ARE GENERALLY LEVEL, OPEN AND SIMILAR TO ROADSIDE AREAS ALONG MANY SECONDARY ROADS IN THIS PART OF COLORADO. THEY DO NOT HAVE THE OUTSTANDING OPPORTUNITIES FOR SOLITUDE OR A PRIMITIVE AND UNCONFINED TYPE OF RECREATION MENTIONED IN THE DEFINITION OF WILDERNESS CONTAINED IN THE WILDERNESS ACT. THE AREAS WHICH WE DO RECOMMEND AS WILDERNESS ARE THE RUGGED, REMOTE CANYONS WHICH ARE THE OUTSTANDING NATURAL FEATURES PRESERVED BY THIS NATIONAL MONUMENT. THESE RECOMMENDED AREAS FULLY MEET THE DEFINITION OF WILDERNESS AND OFFER OUTSTANDING OPPORTUNITIES FOR SOLITUDE AND A PRIMITIVE TYPE OF RECREATION.

OFFICE OF THE SECRETARY  
WASHINGTON, D.C. 20240

MAY 11 1978

Honorable Thomas P. O'Neill, Jr.  
Speaker of the  
House of Representatives  
Washington, D. C. 20515

Dear Mr. Speaker:

Enclosed is a draft bill "To designate certain lands within units of the National Park System as wilderness."

We recommend that the draft bill be referred to the appropriate Committee for consideration, and that it be enacted.

The purpose of the bill is to designate, in accordance with section 3(c) of the Wilderness Act (78 Stat. 890; 16 U.S.C. 1132(c)), 25 areas as wilderness or potential wilderness. This proposed omnibus legislation represents completion of this Administration's review of wilderness proposals for areas within the National Park System made by previous Administrations, and consolidates into one legislative package many separate pieces of wilderness legislation currently pending before the Congress.

There are currently 30 National Park System wilderness proposals submitted by this Administration or previous Administrations which are not yet enacted. The bill proposes the following:

1. Four of the proposals should be enacted as previously submitted: Buffalo National River, Cedar Breaks, Everglades, and Glacier;
2. Action should be postponed on five of the proposals pending further study: Yosemite, Canyonlands, Capital Reef, Death Valley, and Assateague;
3. Action should be postponed on Great Smokies until the Park Service and the State of North Carolina resolve a dispute regarding the location of a road;

4. As the Katmai National Monument is being considered as part of the D-2 deliberations, we have not proposed designating it in this legislation;

5. The remainder of the previously submitted proposals should be revised in various ways which are described in the attached descriptions.

In addition, we have proposed wilderness and potential wilderness designation for portions of Gulf Islands National Seashore.

We have attached to this proposal a description of each area and other information, such as the facilities currently existing in those areas and management practices.

The Office of Management and Budget has advised that this legislative proposal is in accord with the program of the President.

Sincerely,

A handwritten signature in dark ink, appearing to read "Bob Herbst", is written over a horizontal line.

Bob Herbst

Assistant SECRETARY
